

MONA CASTLE HOTEL

# A NOTE FROM US

Hey there,

Welcome to the Mona Castle Hotel.

American urbanist Ray Oldenburg defined “the third place” as a vibrant, neutral space where locals come together in conversation and shared activities. The third place is neither home nor work. It’s that other place. The cafe, the salon, the gym - or the much loved pub on the corner.

The Mona was built in 1874 and returned to its former glory in 2022. We are independently owned and operated by a team of young, passionate individuals. We strive to be an authentic, community hub for locals and passers through alike.

Let the Mona be your “third place”.

Cheers,

The Mona
