

# MONA CASTLE HOTEL

# A NOTE FROM US

Hey there,

Welcome to the Mona Castle Hotel.

American urbanist Ray Oldenburg defined “the third place” as a vibrant, neutral space where locals come together in conversation and shared activities. The third place is neither home nor work. It’s that other place. The cafe, the salon, the gym - or the much loved pub on the corner.

The Mona was built in 1874 and returned to its former glory in 2022. We are independently owned and operated by a team of young, passionate individuals. We strive to be an authentic, community hub for locals and passers through alike.

Let the Mona be your “third place”.

Cheers,

The Mona

**2022 HENSCHKE "KEYNETON EUPHONIUM" SHIRAZ BLEND** BAROSSA VALLEY, SA 24/110  
Sixth generation Barossa producer, known for some of Australia's most iconic wines.

Australia's southernmost mainland wine region, Gippsland is one of the country's coolest and most quietly compelling. From the Bass Coast to the foothills of the Victorian Alps, it's built a strong reputation for Pinot Noir, Chardonnay, and more recently an exciting mix of alternative varieties. All defined by freshness, natural acidity, and a real sense of place.

Gippsland is defined by small, hands-on producers, with quality always the focus over quantity. Some wines here use fruit sourced from other regions, giving local winemakers the chance to create more approachable, everyday styles that aren't always viable to produce within Gippsland.

It's also close to home for us, with a number of the owners and operators growing up in Gippsland, something we're proud to share through the list.
